2006 CSM Summer Show

Some of the fine machines on display at the summer show – we had a total of 50 sleds registered, a few people brought swap items as well, we would like to build up the swap part of the show, so feel free to bring your items to the next show (*vintage items only*). Please contact any CSM board member if you are interested in swapping parts at the winter show and rally located in Farming, MN Saturday February 10, 2007.
