2004 SUMMER SHOW RECAP

Classic Sno-Machines 5th annual summer show was held on Saturday July 24th in Cold Spring, MN. The event was held in conjunction with Cold Spring's "Hometown Pride" day's and the CS Street Machines car show. We had 26 registered sleds, down from 59 last year and well short of our goal of 75. I did see a 793 Hirth go for \$1,150.00 which does not seem like a had
